

Le coeur plein d'amour . . .

February's featured cheeses are all shaped like hearts: *Petit Bonheur*, *Old Flame*, and *Heart's Desire* - three of our farmstead-style bloomy rind artisan cheeses that are perfect for a quiet dinner for two. *Petit Bonheur* is studded with pink peppercorns, providing sparks of piquant flavor throughout; *Old Flame* is quieter - a silky cheese that ripens to a complex and mellow flavor over time, like a good relationship. And *Heart's Desire* is smoky and seductive, coated with Spanish Paprika for a luscious touch.

We're taking orders for pre-Valentine's Day delivery now. **Please order by January 15th.**
